

PREFERRED GRADING & AUTOGRAPH AUTHENTICATORS

The following companies are considered to be reputable, trusted sports cards and sport memorabilia grading and autograph/signature authentication services. These companies are recognized throughout the hobby and industry as the market leaders. Proxibid approves other authenticators outside of this list, but these are the preferred authenticators for Sports Cards and Sports Memorabilia.

Autographs:

Coin Grading:

Coin and paper currency listings over a value of \$2,500 must be graded by an approved grading company and you must provide documentation. Sellers cannot act as their own authenticator. Proxibid only considers the following approved grading companies:

- [Numismatic Guaranty Corporation \(NGC\)](#)
- [Professional Coin Grading Service \(PCGS\)](#)
- [American Numismatic Association Certification Service \(ANACS\)](#)
- [Independent Coin Graders \(ICG\)](#)
- [Paper Money Guaranty \(PMG\) – New](#)

Coins and paper currency valued under \$2,500 that is ungraded or graded by a non-approved grading company can be listed, but the numeric grade can't be included in the title, description, or item specifics. You can include an image of the coin in its graded holder even if that image shows a numeric grade on the holder.
